ENDRUST® GLASS CLEANER

Premium Glass & Chrome Cleaner

TECHNICAL DATA SHEET
TDS–GLASSCLEANER

PRODUCT DESCRIPTION

ENDRUST® Glass Cleaner is a premium, advanced-formula glass and chrome cleaner designed to deliver professional streak-free results on all glass and hard surfaces. It cuts effortlessly through fingerprints, road film, bug squash, grease, and haze, leaving a crystal-clear, residue-free finish. Safe on all glass types, chrome, mirrors, plastic, and rubber — including tinted windows and window films.

Formulated without ammonia, Endrust Glass Cleaner is safe for all tinted glass and automotive window films. Its non-foaming formula is also suitable for use as a windscreen washer additive. Australian Made.

FEATURES & BENEFITS

- Streak-free clarity — cleans and shines in seconds with no residue
- Advanced formulation — cuts through bug squash, road film, fingerprints, grease, and haze
- Ammonia free — safe for all tinted windows and automotive window films
- Safe on glass, mirrors, chrome, plastic, and rubber
- Non-foaming formula suitable for windscreen washer reservoir use (50 ml per 5 L water)
- Fast-acting and easy to use — spray, wipe, and buff to a perfect finish
- Non-hazardous chemical — safe for professional and consumer use
- Australian Made

APPLICATIONS / RECOMMENDED USES

- Vehicle windscreens, windows, and mirrors
- Chrome bumpers, trim, and fittings
- Tinted glass and automotive window films
- Interior glass and display screens
- Marine — portlights, windscreens, and helm glass
- 4WD, truck, bike, boat, caravan, and home use
- Household glass and hard surfaces
- Windscreen washer reservoir additive

TECHNICAL SPECIFICATIONS

PROPERTY	VALUE	PROPERTY	VALUE
Appearance	Clear blue liquid	**pH**	Neutral (approx. 7)
Odour	Slight alcohol	**Flash Point**	N/A — non-flammable
Solubility	Miscible with water	**Flammability**	Non-flammable
Chemical Nature	Mixture — aqueous solution	**Hazard Status**	Non-hazardous (Safe Work Australia)
Product Code	GLASSCLEANER	**Regulatory**	Non-Dangerous Goods. All ingredients listed on AICS.
Packaging	500 ml, 5 L, 20 L	**Origin**	Australian Made

PERFORMANCE

PERFORMANCE PROPERTY	RATING / NOTES
Streak-free Finish	Excellent — leaves no residue or streaks on glass, chrome, or mirrors
Surface Compatibility	Glass, mirrors, chrome, plastic, rubber, and tinted windows. Silicone free.
Ammonia Status	Ammonia free — safe for all tinted glass and window films
Cutting Power	Excellent — cuts through bug squash, road film, fingerprints, and grease
Windscreen Washer Use	Suitable — non-foaming formula; use 50 ml per 5 L water in washer reservoir
Hazard Classification	Non-hazardous chemical (Safe Work Australia)

SURFACE PREPARATION

No special surface preparation is required.

- **Pre-rinse —** for heavily soiled glass or chrome, remove loose mud or debris with a pre-rinse before applying the cleaner.
- **Conditions —** avoid use in direct sunlight or on hot surfaces, as rapid evaporation may cause streaking.

APPLICATION

- **Spray —** spray lightly and evenly onto the surface.
- **Wipe —** wipe with a clean, lint-free microfibre cloth or paper towel. Do not allow the product to dry on the surface before wiping.
- **Buff —** buff lightly for a perfect, streak-free finish.
- **Windscreen washer additive —** add 50 ml per 5 L of water in the windscreen washer reservoir. The product contains a non-foaming agent formulated for this purpose.

SAFETY & HANDLING

- Non-hazardous chemical — GHS classification: None.
- Avoid contact with eyes — flush with water for at least 5 minutes if contact occurs. Seek medical attention if irritation persists.
- Avoid prolonged skin contact — wash with soap and water if contact occurs.
- Avoid breathing spray mist — use in a well-ventilated area.
- Do not induce vomiting if swallowed — rinse mouth and seek medical attention.
- Keep out of reach of children.
- Do not discharge into waterways, drains, or sewers.
- Refer to the Safety Data Sheet (SDS) for full health and safety information prior to use.

STORAGE & SHELF LIFE

Store in a well-ventilated area away from sunlight and sources of heat. Keep away from strong acids. Store in a closed container. Do not freeze. Dispose of empty containers in accordance with local authority requirements.
